LINES OF BUSINESS

SIGNIFICANT BUDGET CHANGES

The FY 2014 adopted expenditure budget for the Sheriff's Office is \$37,207,931, a four percent increase from the FY 2013 adopted budget. The budget reflects:

- ↑ The County Board added one-time funding in additional overtime funding to help reduce detention facility lockdowns (\$80,000).
- ↑ Personnel increases due to reclassification of uniform positions (\$842,336) and administrative positions identified to be substantially below comparative pay studies, employee step increases, a three percent increase in the County's cost for employee health insurance, and adjustments to retirement contributions based on current actuarial projections, partially offset by the removal of one-time funding for FY 2013 additional County Board approved holidays (\$80,000).
- ↑ Non-personnel increases due to adjustments to the annual expense for the maintenance and replacement of County vehicles (\$17,693) and contractual increases in Inmate Medical

Services (\$77,117) and Pharmaceutical (\$9,329) contracts. The increase is partially offset by the reduction itemized below.

- ↑ Fee revenues increase due to higher projections in Courthouse security fees (\$40,000), fingerprinting fees (\$2,500) and ASAP fees primarily due to increased referrals and higher 2014 projections (\$68,077). The increase in fee revenue is partially offset by lower projections in Falls Church reimbursements based on the FY 2014 budget and reconciliation of prior year payments with actual expenditures (\$4,950) and lower projections for electronic monitoring and other outside service fees (\$550).
- ↑ Grant revenues increase due to increasing State Compensation Board reimbursements (\$611,403), increasing federal prisoner reimbursements (\$48,300), and increasing Comprehensive Correction Act revenue (\$12,507) as a result of restoration of previous state aid reductions and salary increases.

Corrections

- ↓ Reduce Inmate Medical Services from \$3,501,309 to \$3,401,309 (\$100,000).
IMPACT: Reduced funding available for Arlington County's share of costs associated with catastrophic care. The Inmate Medical Services vendor and Arlington County share the costs of this type of care. Improved cost management in recent years has resulted in cost savings. Reducing this funding will not have an impact on the medical services provided to inmates in the Arlington County Detention Facility.
