SIGNIFICANT BUDGET CHANGES

The FY 2015 adopted expenditure budget for the Electoral Board is \$1,242,321, a two percent increase from the FY 2014 adopted budget. The FY 2015 adopted budget reflects:

- ↑ Personnel increases include the County Board's approval of a one percent increase for employees at Step 19. Additionally, increases are due to employee step increases, a 7.5 percent increase in the County's cost for employee health insurance, adjustments to retirement contributions based on current actuarial projections, and increases due to reclassification of positions identified to be substantially below comparative pay studies.
- ↓ Revenue decreases due to the estimated reimbursement from the State (\$30,456), which is based on the projected reimbursement percentage. This is partially offset by an increase in fines (\$200).
