## SIGNIFICANT BUDGET CHANGES

The FY 2016 adopted expenditure budget for the Department of Human Services (DHS) is \$130,578,629, a four percent increase over the FY 2015 adopted budget. The FY 2016 adopted budget reflects:

- ↑ The County Board added a Mental Health Therapist for Jail Based Services (\$85,339, 1.0 FTE) and a Psychiatric Nurse Practitioner (\$67,672, 0.50 FTE).
- ↓ The County Board reduced local match funding for CSA programs (\$300,000). For a full description of the reduction and impact, please refer to the Budget Reduction Summary.
- The County Board shifted funding for Housing Grants added during the proposed budget process from ongoing to one-time (\$1,500,000) and preserved \$1,500,000 in one-time funding from FY 2014 closeout to replace FY 2015 one-time funding. Total funding for the Housing Grants program in the FY 2016 adopted budget is \$8,913,507.
- ↑ Personnel increases due to the conversion of contract dollars to Mental Health Therapists (\$131,150, 1.5 FTEs) for the Homeless Services Center added during the FY 2014 closeout process, an emergency services Mental Health Therapist (\$85,744, 1.0 FTE), a Clinic Aide (\$52,887, 0.75 FTE) and Public Health Nurse (\$44,607, 0.50 FTE) for the new Discovery Elementary School, grant-funded Eligibility Workers (\$128,072, 2.0 FTEs), employee step increases, an increase in the County's cost for employee health insurance, and increases due to reclassification of positions identified to be substantially below comparative pay studies and the position noted below. These increases are partially offset by adjustments to retirement contributions based on current actuarial projections.
- ↑ Non-personnel increases due to the Women, Infants, and Children (WIC) Program (\$116,990), CSB Substance Abuse Prevention Grant (\$172,614), Residential Drug Abuse Program (RDAP) funding (\$462,262), Title IV-E Adoption Subsidy (\$247,076), Promoting Safe and Stable Families Grant (\$60,513), Arlington Food Assistance Center (AFAC) (\$135,000), rent for Sequoia Plaza and Gates of Ballston (\$200,043), increases for operating and contractual services (\$148,446), a full-year of expenses for the first year of operations of the comprehensive Homeless Services Center (\$413,950), increases for the Home Delivered Meal Program and Culpepper Garden (\$10,774), one-time funding for the replacement of the County's antibiotics cache (\$50,000), an adjustment to the annual expense for maintenance and replacement of County vehicles (\$8,386), and the additions noted below. These increases are partially offset by a reduction in operating expenses to senior programs (\$100,000), net decrease for several state and federally sponsored programs (\$709,522), the conversion of non-personnel to personnel to cover the costs of an existing position (\$31,541) and the removal of FY 2015 one-time funds for leadership development (\$75,000), the hotline response system for domestic and sexual violence (\$52,000), the Arlington Villages project (\$30,000), and the Food for Others contract (\$21,551). Non-personnel increases also include the cost of the consolidation of DHS offices to the Sequoia Plaza complex:
  - Sequoia Plaza Rent (\$1,383,369)
  - Security (\$20,085)
  - Infrastructure Improvements (\$257,780)
- *The County Board took action after the FY 2016 budget was adopted in May to increase parking meter rates by \$0.25. The budget information in the FY 2016 Adopted Budget does not reflect the parking meter rate increase approved by the Board in June. As part of that action, the County Board appropriated one-time funding from PAYG to fund NOVASalud (\$25,000).*
- ↑ Intra-County charges increase due to the number of clients participating in the Intellectual and Developmental Disability Program (\$41,038).

There were a number of programs where ongoing funding was added to replace one-time funding added during the FY 2015 budget process. Ongoing funding was added for:

- The Crisis Intervention Team (CIT) Coordinator (\$74,746, 1.0 FTE)
- The domestic and sexual violence hotline (\$85,000)
- Homeless Prevention and Rapid Re-Housing Program (HPRP) (\$200,000)

Revenue projections do not include supplemental state allocations that are routinely received but at unpredictable levels. Other changes represent a wide variety of fluctuations in multiple sources of state and federal funding. Specific changes include the following:

- ↑ Increase in grant funding for the Women, Infants, and Children (WIC) Program (\$116,990).
- ↑ Increase in grant funding for the CSB Drug Prevention Program (\$172,614).
- ↑ Increase in grant funding for the Residential Drug Abuse Program (RDAP) (\$462,262).
- ↑ Increase in grant funding for IV-E Adoption (\$123,538).
- ↑ Increases across various state grant programs as well as the addition of several smaller grants (\$419,210).
- ↑ Increase in revenue due to the departmental managed care initiative (\$224,487).
- ↓ Reduction in Drug Free Communities Grant funds (\$198,887).
- ↓ Reductions in state and federal homelessness prevention grants (\$339,675).
- ↓ Reduction in funding for the VIEW and Project Discovery Programs (\$49,985).
- The General Assembly restored the proposed cut in Aid to Localities (\$164,315), which had been included in the County's proposed budget.

The FY 2016 adopted staffing level is 685.79 FTEs, an increase of 7.25 FTEs from the FY 2015 adopted budget. The FTE changes are explained below:

- ↑ Increase of 1.0 Mental Health Therapist position for jail based services.
- ↑ Increase of 0.50 Nurse Practitioner position for psychiatric services.
- ↑ Increase of 2.5 Mental Health Therapist positions for the Homeless Services Center and emergency services.
- ↑ Increase of 2.0 Eligibility Worker positions for grant funded state programs.
- ↑ Increase of 0.75 Clinic Aide position for the new Discovery Elementary School.
- ↑ Increase of 0.50 Public Health Nurse position for the new Discovery Elementary School.
